SUBJECT: PUBLIC INQUIRY/REQUEST FOR CRIMINAL REFERRAL REGARDING DOCKET NO. 49. DB 2026

To whom it may concern,

I am writing as a concerned citizen following the upcoming disciplinary proceedings regarding Potter County District Attorney Andy Joseph Watson (Docket No. 49 DB 2026), scheduled for December 8, 9, and 10, 2026.

The allegations outlined in the Petition for DIscipline–specifically the unauthorized, decade-long use of miscellaneous investigative subpoenas and the utilization of non-disclosure agreements falsely asserting court mandates–represent an extraordinary breach of public trust and a profound violation of citizens' constitutional rights.

While I understand the Disciplinary Board's primary mandate is the regulation of attorney licensure, the systemic nature of this alleged misconduct stretches far beyond an ethical oversight. If the Office of Disciplinary Counsel successfully proves these allegations at the upcoming hearing, I respectfully urge the Board to formally refer the complete investigative case file and trial record to the Pennsylvania Office of Attorney General, under Dave Sunday, for immediate review of potential criminal violations under Title 18, including Official Oppression (18 Pa.C.S. § 5301) and Tampering with Public Records (18 Pa.C.S § 4911).

The citizens of the Commonwealth deserve a transparent justice system where prosecutors are held to the absolute highest standard of criminal law.

Thank you for your time, your vigilance, and your continued service in protecting the public.

Respectfully Submitted,
